

Educational Vistas Inc.

Our Mission:

Educational Vistas, Inc. (EVI) is a privately held corporation operating in the for-profit K-12 education industry providing assessment services, data analysis, and software products to educational agencies (Schools, Districts, Boards of Cooperative Educational Services (BOCES), Regional Information Centers (RIC) etc.) with the intent of increasing efficiencies and reducing costs.

Our Strategic Vision:

Is to position ourselves to all educational agencies in the K-12 NYS industry as the **BEST-COST provider** with the purpose of enriching the school environment through efficiencies and cost reduction and assisting in the building of brighter futures for the children of today and tomorrow. Only through consistent growth and ambitious goals can we truly make a positive impact in our community, and only through creativity and teamwork can this growth and these goals be attained.

Our Core Values:
