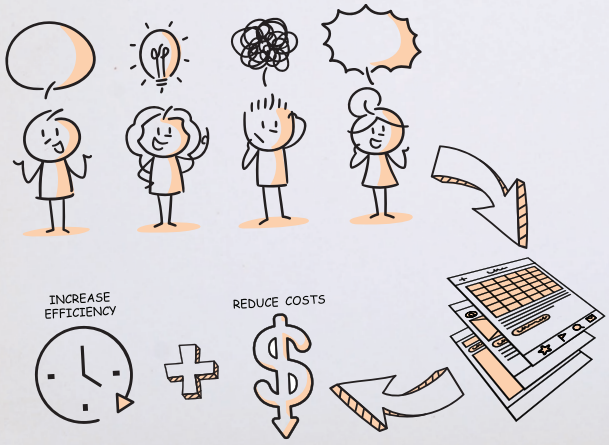
Teacher/Principal Evaluations Made Easy!

THE MOST COMPREHENSIVE MANAGEMENT SYSTEM AVAILABLE

The StaffTrac Story

StaffTrac™ was designed from the ground up with the input and insight of education professionals. We listened to your frustrations, challenges and needs regarding the entire Teacher/Principal observation and evaluation process and created a one-of-a-kind, all-inclusive system to save time, workload and effort.



A SEAMLESS SOLUTION

StaffTrac delivers a complete online solution to help you manage all aspects of the process and is accessible from any tablet, computer or mobile device. There's even an HR module for tracking teacher data and conducting professional development initiatives and events.

We Feel Your Pain

For years, administrators have grappled with information scattered among hundreds of fields and massive amounts of excellent but inaccessible data.

Check out all the features and make a comparison for yourself.

Let StaffTrac™ Do the Work for You

One System. Problem Solved.

StaffTrac is your complete teacher/principal evaluation management system, the only one-stop APPR solution that handles all your compliance and reporting needs. Everything from developing and tracking SLO's to one-click reporting at the end of the year.

Tailored to Your Needs

Use any rubric and customize multiple evaluation components to mirror your school's process. All historical observations are easily imported into StaffTrac, and its ability to be easily configured to your exact specifications is second to none.

Now Includes Danielson Rubrics

The Only One of Its Kind

Unlike other systems where you struggle with isolated and disconnected programs, StaffTrac manages everything from one source without add-ons of any kind. It's simply the best, most advanced evaluation and management solution in the industry.

Isn't It Time to Upgrade Your School's APPR Management System?

Getting Started

The Educational Vistas Team has worked with hundreds of school districts to implement our industry-leading tools and systems. We have a proven track record of success and understand the importance of a smooth, efficient, zero-impact transition to your new StaffTrac APPR Management System.

Our developers have created sophisticated sync and form-building tools to assist us in connecting to your data – regardless of the source – efficiently and seamlessly. Let's get started by setting up a Webex or in-district product demonstration to explore StaffTrac and further discuss our "Zero-Impact Implementation Plan."
