What's Inside Parent Pathways

Help Your Child Succeed with DataMate™

DataMate's computer-based practice tests are designed to support your child's learning in literacy and math using tools and technology they're familiar with from school.

- **Comprehensive Literacy & Math Practice:** Full assessments are preloaded, making it easy to assess your child's skills.
- **Familiar Test Tools:** Just like in school, your child can use helpful tools such as a highlighter, protractor, ruler, calculator, and a math equation editor.
- **Instant Feedback:** Receive immediate results after each test, providing insights into your child's progress.
- **Accessibility for All Students:** Includes text-to-speech functionality to support students who benefit from auditory assistance.

Literacy Support with DRP™ (Degrees of Reading Power)

- **Know Your Child's Reading Level:** DRP shows the reading comprehension level your child can handle independently.
- **Monitor Growth Over Time:** Track your child's reading progress easily with immediate reporting.
- **Designed for Grades 2-12:** Aligned with New York State standards, DRP assessments cover a wide range of grade levels.

Math Growth with DMP™ (Degrees of Math Power)

- **Comprehensive Math Assessments:** Track your child's progress in key areas like Geometry, Fractions, and Statistics.
- **Skill-Appropriate Questions:** Questions are suited to a range of abilities, covering skills from different grade levels.
- **Targeted Support:** Identify areas where your child may need extra help or more advanced challenges.
