Links to Any Assessment Data System - NYS and Local Assessments
Links to Online Assessment Process
Links to and Functions as a Human Resource System (HR)

> *I have worked with Educational Vistas for many years and have found their staff to be well informed of best and current practices. Their solutions help school districts operationalize current mandates facilitating our ability to implement evolving APPR Regulations to include data analysis and the observation process. What is more, Educational Vistas synthesizes customer feedback and uses the information to improve their applications.*
