

StaffTrac™

Observation, Evaluation, PD & Reporting

Teacher/Principal Evaluations Made Easy!

THE MOST COMPREHENSIVE MANAGEMENT SYSTEM AVAILABLE

The StaffTrac Story

StaffTrac™ was designed from the ground up with the input and insight of education professionals. We listened to your frustrations, challenges and needs regarding the entire Teacher/Principal observation and evaluation process and created a one-of-a-kind, all-inclusive system to save time, workload and effort.

A SEAMLESS SOLUTION

StaffTrac delivers a complete online solution to help you manage all aspects of the process and is accessible from any tablet, computer or mobile device. There's even an HR module for tracking teacher data and conducting professional development initiatives and events.

We Feel Your Pain

For years, administrators have grappled with information scattered among hundreds of fields and massive amounts of excellent but inaccessible data.

Implementation Challenges

Managing Several Calendars

Isolated Data

Disconnected Applications

Add-Ons

Information in Hundreds of Fields

That all changes with StaffTrac!

Getting Started

The Educational Vistas Team has worked with hundreds of school districts to implement our industry-leading tools and systems. We have a proven track record of success and understand the importance of a smooth, efficient, zero-impact transition to your new StaffTrac APPR Management System.

Our developers have created sophisticated sync and form-building tools to assist us in connecting to your data – regardless of the source – efficiently and seamlessly. Let's get started by setting up a Webex or in-district product demonstration to explore StaffTrac and further discuss our “Zero-Impact Implementation Plan.”
